When Angels Rejoice!

Above picture of Jerry Starnes preaching the Roman Road to patients waiting to receive medical dental visits in October 2022. Our medical dental evangelism team shared the Gospel in Chacasa, Totoras and Guamote communities of Ecuador.

Picture below is Damaso Francisco sharing Christ with a couple who came for reading glasses.

In 4 days in Oct. 2022 we had

- * 91 dental extractions
- * 472 medical patients
- * 349 reading glasses
- * 122 sun glasses
- * 176 professions of faith
- * Distributed over 600 New Testaments

Here is a recent email from one of our visitors to the AbideInChrist.com website.

Thank you for your love for the Gospel of Jesus Christ and your heart to share it with a lost world.

"I thank you for great lesson that I read... I am from the Philippines. I am a polio victim since my birth. I love to read God's word. It gives me hope and encouragement in serving

"THERE IS JOY BEFORE THE ANGELS OF GOD OVER ONE SINNER WHO REPENTS" (LUKE 15:10).

God. I can see myself as stranger passing through in this darkest and imperfect world. Thank you. God richly bless your endeavor for Christ. Thanks, Dominador Davocol, Jr."

Pictured above is Segunda Copa, a Peniel graduate, with his parents who live in his home town of Chacasa where our Oct. 2022 team shared Christ.

Segundo believes the Lord is leading him to plant a church here. He has been a faithful team member in establishing the San Juan de Gabu church our medical team helped to start.

Deanna is standing with him and is a sixth year medical student, and a

Peniel student in our Guyaquil extension. She has a goal of being a Christian medical doctor in her home community in Chimborazo Province. She will begin her rural medicine practice there next year.

Our new team member, Donna Cobb, a nurse practitioner with an infant patient.

She and Billy Windham have been friends for many years. She is an active member of Dixie Baptist

Church. She has a passion for medical evangelism and the Abide in Christ missionary outreach.

Above Alejandro Guacho with Peniel students witnessing in Juelazoa. His prayer is to start a mission in this community where there is no church.

Alejandro and the Evangelism Department team members take students to these new locations to followup on our teams and teach students personal evangelism.

Wil preached over 30 messages from Romans and Ephesians this year on the three mission trips to Ecuador.

Students in the Peniel Seminary extension in the big port city of Guyaquil regularly go out on evangelism teams in the city and rural villages. They work with local pastors and Damaso Francisco who teaches evangelism and missions courses in that extension, and serves in a local church on a part time basis. These teams have also preached in jungle locations with Alejandro and Damaso.
