Out of proportion (elevation showing a topographic view - East section of Ecuador)

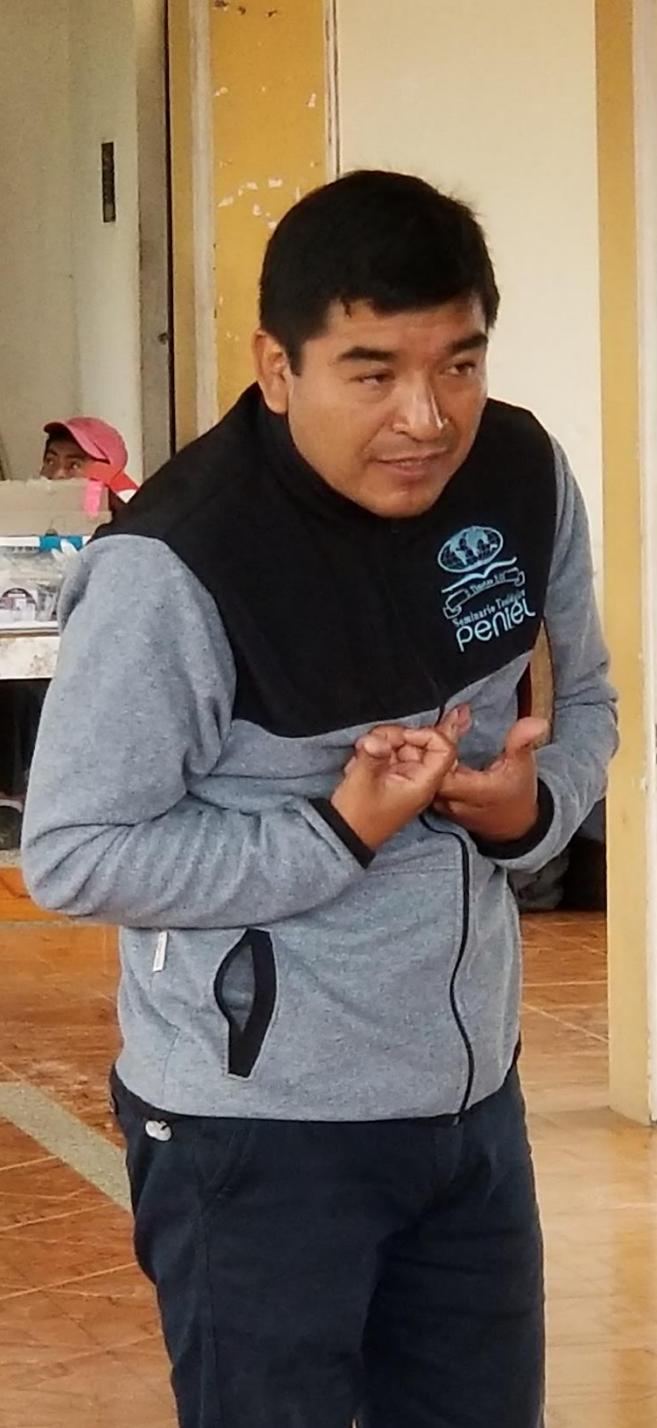

Quechua wedding of two faithful servants of Christ.

## Damaso and María Francisco

## Medical-Dental- Evangelism

For 3 days Abide in Christ team demonstrated the love of God, and presented the Gospel in 3 hard Catholic areas of Ecuador.

Please pray daily for:

- San Juan de Guabu
- Pedro Mullo
- Tipiyac

# Medicine – the magnet that draws people to Christ.

In 3 days we did

\* 86 extractions

\* 389 medical patients

\* 196 reading glasses

\* 200 sun glasses

\* 88 professions of faith

Every patient receives a New Testament, and hears a personal presentation of the Gospel of Jesus Christ.

Every Peniel student is required to complete field mission assignments for graduation.

Peniel Department of Missions and Evangelism teams with professors and students are following up on these three mission outreaches.

Young ladies praying in response to hearing the presentation of the Gospel.

Pastor Alejandro Guacho directs the followup on all AIC mission teams.

He takes Peniel students on mission trips in unreached areas of Ecuador.

All Peniel students are involved in these evangelism teams.

# Dedication of the classroom and cafeteria buildings at Peniel Theological Seminary.

# Three story classroom building

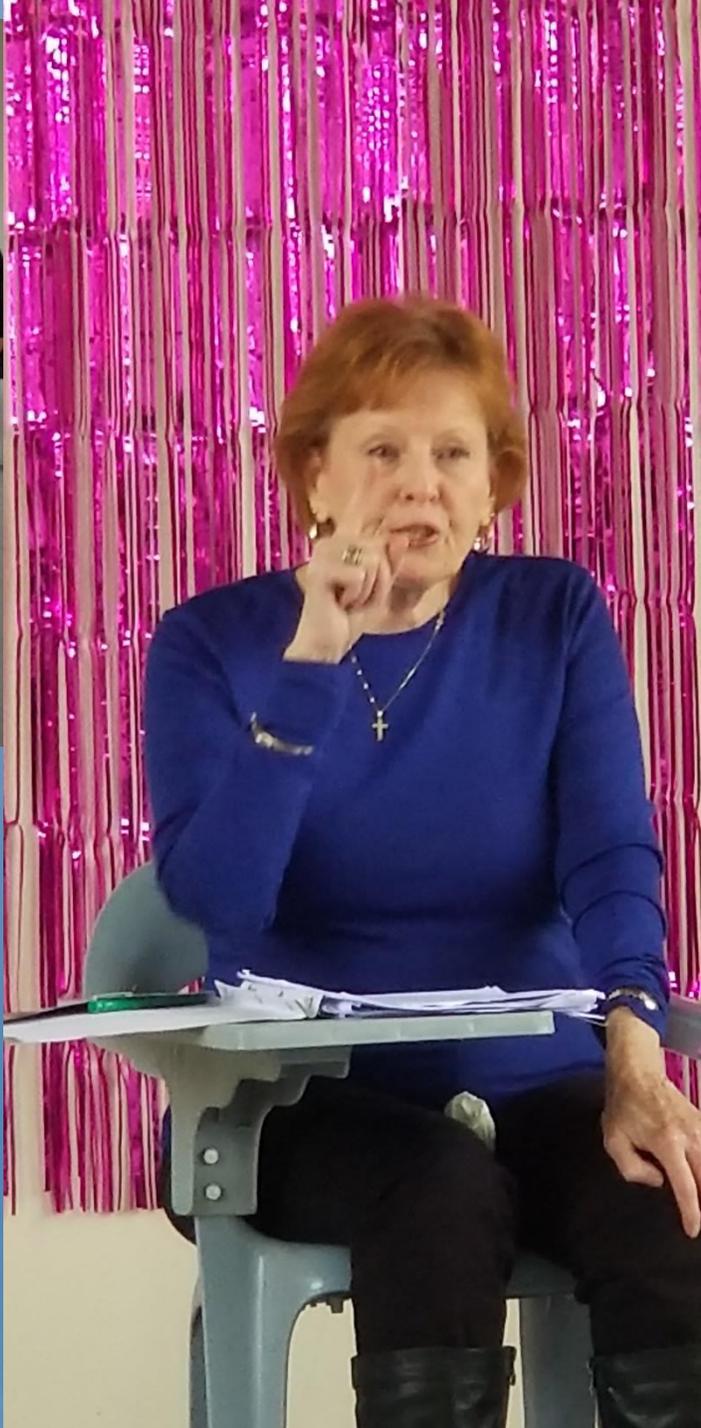

Big circus tent for the Abide in Christ pastor leadership conference and Peniel graduation.

**Abide in Christ  
Pastors' wives conference**

## Youth Day at the Seminary
