

Abide in Christ

Prayer and Praise with Wil and Ann Pounds

Christ's Ambassadors

Above photo Don Dumas and Dr. Pete Ritchie sharing the plan of salvation in a rural village of Ecuador.

One of our rural mountain villages was Yaguarcocha which loaned us their school to conduct our medical dental ministry in October 2018.

These agricultural communities are dedicated, hard working Quichua people. You will not find them at home during the daytime. They begin with the rising sun and continue plowing their fields or managing their hothouses during day light. Unless a community event is scheduled they are not to be found.

Alejandro did an excellent job visiting in three communities preparing for the medical dental evangelism team.

Robin Hicks and Linda Dickerson fitted reading and sun glasses. *Robin is shown here ministering to an elderly man. Below John, Robin and Linda praying with a man accepting Christ as his Savior.*

"WE ARE AMBASSADORS FOR CHRIST, AS THOUGH GOD WERE MAKING AN APPEAL THROUGH US ... " (2 COR. 5:20)

Sometimes its takes two dentists! Drs. Pete Ritchie and John Howell, Jr. teamed up with Dr. Brian Carrillo our Ecuadorian dentist. Bill Clements helped the dentists.

Below, Dra. Evelyn Munoz our Ecuadorian medical doctor attending patients.

Her father has over 160,000 strawberry plants under cultivation.
