

Abide in Christ

Prayer and Praise with Wil and Ann Pounds

A BIBLICALLY SOUND CHURCH

"AND THEY WERE CONTINUALLY DEVOTING THEMSELVES TO APOSTLE'S TEACHING, AND TO FELLOWSHIP, TO BREAKING OF BREAD AND TO PRAYER" (ACTS 2:42).

The interest and attendance continued to grow throughout the week. I am amazed at the level of maturity, and the number of young couples and university students in this conference.

With joy I can say it was a wonderful experience in a Biblically sound church. I led a successful personal evangelism conference in that church September 2016. I returned this September and gave presentations the Bible doctrines and the cults.

Last year Abide in Christ printed 1200 copies of my book on *Evangelism in Depth* for their mission training program and outreach. They have four missions in rural communities and have ongoing outreach in subdivisions out from Hebron Baptist Church. During the past 12 months, they have been studying the "Declaration of Faith" in the appendices of my evangelism book.

The photo above is the Special Sunday School class on how to maintain sound doctrine in the local church.

I have been involved in missions and church planting for 57 years. I have seen fads come and go through the years. Dr. Luke gives a description of the Biblically sound church in Acts 2:41-47. Years ago Ann and I were in a mission's conference in Dallas. The church had four banners across the front that spelled out **W-I-F-E. Worship – Instruction – Fellowship – Evangelism**. That is the Biblically well balanced church.

I just completed preaching and teaching on sound doctrine and the cults at Hebron Baptist Church in Tegucigalpa, Honduras.

Photos on the header are the Evangelism Team sharing Christ with a construction worker near Hebron Baptist Church. Wil had just led the two men on the right to Christ. In the photo above are members of one of the evangelism teams at Hebron.

Above Wil is teaching the 8-day Bible conference on sound doctrine at Hebron.

Elmer Herrera has been pastor of this church since its beginning 27 years ago.

Pictured above is Pablo with his wife Maria and two daughters Paula and Zoila. Wil had the privilege of leading Pablo to Christ 14 years ago and then baptized him. Ann led Zoila to Christ, and then Wil baptized her and her mother Maria. Please pray for Paula (second from the left) that she will soon place her faith in Jesus Christ alone for salvation. Pablo faithfully serves Christ in Hebron Baptist Church.

We have been invited to continue this Bible teaching ministry in Honduras at Hebron next year. The response has been very encouraging, and the need is great. The ministry in this church reaches out to other missions and pastors in a Baptist seminary serving many pastors.

Plans are being made at Peniel Theological Seminary in Riobamba, Ecuador, for the Abide in Christ annual pastors' conference August 2018.

PRAY & UPDATES ON MISSION PROJECTS

- ✓ Third medical-dental team returns to Alao, Ecuador, October 13-22.

Wil translating for Billy Windham on the March 2017 medical dental evangelism team in Alao, Ecuador.

- ✓ Please pray for the Lord's provisions for this team and for mission projects for 2018.
- ✓ Pray for wisdom and direction as we make decisions for 2018. We have more invitations than we can fulfil.
