**Give financially.** We are a faith mission and are dependent upon your financial gifts. Please pray about becoming involved in the support of our mission. "As long as the Lord provides I will give ... \$25 \$50 \$100 \$\_\_\_ a month."

### ***Workman Approved of God***

*Evangelism workshop students shown sharing Christ with a man on the street in northern Nicaragua.*

"Be diligent to present yourself approved to God as a workman who does not need to be ashamed, handling accurately the word of truth" (2 Timothy 2:15).

**T**raining leaders is the heart of discipleship. Abide in Christ has the goal of training church leaders to train other leaders.

*Aristides Bustillo giving personal witnessing demonstration in class*

In Nicaragua we have been training Aristides Bustillo and David Zedon to take the leadership in evangelism training among Nicaraguan pastors. Wil divides up the presentation so all three will have equal opportunities to teach different subjects of the course content. This process has been going on over the past three years. Aristides and David can now take the materials and teach them with authority and confidence throughout the country. Abide in Christ recently printed another thousand manuals for use in Nicaragua. We are also following a similar goal in Ecuador.

Our evangelism workshops are designed to teach personal evangelism using the "Roman Road." Students mark their New Testaments and go door-to-door sharing Christ. We include a session on the characteristics of the "false gospels" or cults which are rampant in Latin America.

*Aristides Bustillo with new motorbike*

Abide in Christ recently provided Aristides a motorbike to help with his transportation needs as he works with the churches in the northern region of Nicaragua. He is president of the northern region of Baptist churches. He is an avid and successful church planter. During the past four years he has used our workshops to start eleven new churches and missions in the northern region. Beginning 2013 he will begin a new church plant in Estelí in central Nicaragua. Abide in Christ will provide financial help to establish this new ministry.

*Sadie Bustillo provides meals for participants at our evangelism workshops*

*David witnessing to a policeman*

David helps Wil with translation when team members who do not speak Spanish go to Nicaragua. He also works with Abide in Christ Spanish language websites. David and his wife Carolina have two new mission churches in rural communities in Tototgalpa. They are supported by Abide in Christ. Go to [www.AbideInChrist.com/missions](http://www.AbideInChrist.com/missions) for up to date reports on these projects.

Part of the class room instruction includes going door-to-door putting into practice what they are studying.
